Pcso Walton felt these figures reflected the fact the policing was improving. He also updated the council on the fact that they were moving forward with trying to obtain anti social behaviour contracts and once these were issued shock waves should ripple around.

Update on Police station situation –
There have been a couple of meetings recently with West Yorkshire police regarding both a contact point and the issue with the police station. This council identified that there are different groups of people involved 1) the group looking to keep the police station open and 2) the group working towards opening a contact point as soon as possible. The Council resolved to offer its support to both these groups and receive reports back on progress made. Cllrs updated the council on the recent meetings with regards to keeping the police station open indicating that they had manage to gain some time to decide on their way forward.

After a proposal by Cllr Edwards seconded by Cllr Bromley with all in favour this council agreed to write to all three ward councillors to ask how and when they are campaigning for more police officers on the beat as stated in their election promise.

12. PLANNING AND UDP.
   04/02353/ful Pennine Works, High Field Ln Conversion to 3 dwellings
   Objections raised on the grounds of; The sewer and drains unable to cope with present demand as stated by Steven Core of Highways and being looked at by Yorkshire water. The Road is totally unsuitable for such a development. Previous applications for residential development in that area have been turned down on the grounds of the noise and smell from the works directly behind the proposed development. There is no space to accommodate parking for the possible 6 cars that this development could bring.
   04/02686/ful 7 Bolton Rd Extension to Restaurant (amended)
   No objections raised on this application
