12. PLANNING.
No objections were raised on any of the above

Objections raised on Highways ground as entrance from Skipton Rd is used regularly as a passing place due to the narrowness of Skipton Rd at this point. Sight from this junction is impossible with out cars pulling out into Skipton Rd, therefore any increase in traffic would not be recommended. It is felt that this is overdevelopment of the site and not appropriate development of Green belt. Council also raised the questions are to whether the 2 agricultural/industrial units and the detached garage have original planning permission.
