Minutes of previous meeting

Approved and proposed as correct by George Barclay, seconded by Jim Atkinson.

Funding

Cllr Bottomley stated that Bradford Council were not happy with removing the benches as discussed at previous meeting, and that if removed we required a ramp or similar big enough to cover the holes left.

All agreed that a 1.2 m ½ pipe best solution, Cllr Bottomley to cost and discuss at next meeting.

Currently £7.000.00 left for project.

Joe Sutcliffe stated that grinding rails provided were too wide in circumference, noted by those present - no resolution at this stage.

Sign

It was unanimously agreed that the sign should be dedicated to Patrick Lawton, who was very supportive of Silsden Youth Council and made £1.000.00 available specifically for a sign to advertise the success of the project.

Unanimous decision that the sign should be the arch design number 2. Black sign with silver lettering.

Feedback

Lindsay Bottomley - more responsibility to be taken by the committee for funding and fund raising, this was supported by rest of committee.

All agreed the Council was going well.

Mayor's coffee Morning

Joe Sutcliffe – Tombola and questions
Joe Happs – Sales
Jim Atkinson – Tombola
Lindsay Bottomley – Sales, Questions.

All agreed to bring items for sale on the day.

Community Cinema

George Barclay researched idea, £4.00 entry per person, minimum of 70 persons then 40% of takings to distributor.

Committee did not feel that 70 people would attend.

Second company Ribbles £3.50 entry and less to distributor.

Problem with location possibly Methodist Hall.

Continue to look at this idea for next meeting.
