

KRIS HOPKINS MP

HOUSE OF COMMONS

LONDON SW1A 0AA

Dear Resident

I am writing with important information for those who have been affected by the recent floods.

I am trying to make this information available to as many as possible, and hope that you may be able to forward this to anyone who you know has been affected.

This letter explains the help that is available to people who have suffered damage to homes and businesses, of course, my office has and continues to be available to those who need support and residents can of course contact us direct on 01535 211152 or at [kris.hopkins@parliament.uk](mailto:kris.hopkins@parliament.uk).

The latest information about the schemes which the Government is providing is available here: <https://www.gov.uk/government/news/north-west-england-floods-2015-government-response>. Most of these schemes are being administered through local councils, so the best way to find out what you are eligible for and how to apply for it is to check the information available here:

[https://www.bradford.gov.uk/bmdc/the\\_environment/environmental\\_health/water\\_management/types\\_of\\_flooding](https://www.bradford.gov.uk/bmdc/the_environment/environmental_health/water_management/types_of_flooding) or call your council on 01274 432111.

Here is a summary of the main schemes:

#### **Community Recovery scheme**

This money has been provided to councils for local recovery priorities such as helping people made homeless by the floods, finding temporary accommodation, mental health and wellbeing support and waste disposal.

Information about how to access these resources is available from the council (details above).

#### **Property Level Resilience scheme**

This is money to help households and businesses pay for work to their flooded properties to increase their resilience against future flooding. Up to £5,000 per affected property is available. Information about how to apply for the scheme is available from the council (details above).

#### **Business Support scheme**

This is money to help businesses to recover from the impact of the floods and to make themselves more resilient to severe weather events in the future. The priority will be direct grants to flood-hit small and medium-sized businesses. Contact the council for details of how to apply.

Member of Parliament for Keighley and Ilkley

## Council tax discounts

Government will fund council tax relief in the following circumstances:

- A 100% discount for any domestic property flooded as a result of the storms in December for a minimum of three months or while anyone is out of their home due to flood damage.
- A 100% council tax discount on temporary accommodation for anyone out of their homes (in addition to the discount on their flooded property).
- Discounts will be also available for properties where access was cut off, or services were unavailable, as a result of the floods, even if the home itself was not flooded (e.g. a 2nd floor flat).

Council tax relief will be provided by your local district council, who will determine the final administrative arrangements.

## Business rates relief

The Government will fund 100 per cent rate relief for a minimum of three months or until the business restarts trading from the property, up to state aid de minimis levels, in the following circumstances:

- For any day the property was flooded in whole or in part as a result of adverse weather conditions; and
- on that day, as a result of the flooding at the property, the business activity undertaken at the property was adversely affected; and
- the rateable value of the property on that day was less than £10 million.

Business rate relief will be provided through your local district council, who will determine the final administrative arrangements.

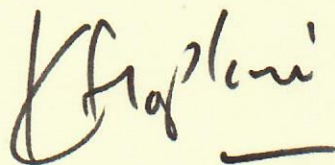

## Support for farmers

Support payments worth up to £20,000 will be available to farmers who have been affected by flooding to help restore damaged agricultural land. They should contact the Rural Payments Agency contact centre on 03000 200 301. The application form is available here: <https://www.gov.uk/government/publications/apply-for-the-farming-recovery-fund-frf>

You may also wish to know that **Environment Agency's Floodline service (0345 988 1188)** is available to sign-post callers to relevant recovery support initiatives that are being provided by local councils for their householders and businesses.

I hope you find this information useful, but please do not hesitate to contact the office if you require further support.

Kind regards

Kris Hopkins MP
